Youth Leadership Program Fall 2019

What Is Youth Leadership?

Youth Leadership is a leadership program that targets juniors and seniors from public, private, and local high schools, and will be facilitated by members of the Rotary Club of Carroll Creek. The program will be an intense experience accommodating up to around 30 students who are interested in exploring the dynamics and day-to-day challenges of contemporary leaders in our community. A faculty drawn from the public, corporate and non-profit community will conduct the sessions. The sessions will include: discussions of leadership principles, skills and behaviors, and group experiences to county/city facilities.

When Will Youth Leadership Begin and End? Please detach this page and keep for your reference throughout the program.

The leadership program will meet on four consecutive Mondays in October and November and finish on a Wednesday morning at Rotary meeting.

The planned schedule is:

How Will I Benefit from Youth Leadership?

This unique, fun experience will enable youth leaders to interact with local leaders to explore what leadership is and how it is exercised. In addition, each youth leader will work to research key issues related to the quality of life in Frederick.

What's Expected of Youth Leaders and Parents?

Youth leaders should have an enthusiasm for learning, a commitment to regular attendance, and ability to have transportation to and from each session. Tuition is \$100 of which the Rotary Club of Carroll Creek will cover \$75.00. The youth and his/her parents are expected to pay the remaining **\$25.00** (limited scholarship opportunities for the program are available). **Please include this via check with your application.**

Who Is Qualified To Participate?

Any Frederick County public or private high school junior or senior may apply. Around 30 students will be selected on a competitive basis. Students should demonstrate an interest in leadership. Successful applicants will be notified by October 11th.

To ensure your place, **apply now!**
