## THE ROTARY CLUB OF CARROLL CREEK COMMUNITY SERVICE COMMITTEE GUIDELINES FOR FUNDING

The Rotary Club of Carroll Creek (RCCC) works to bring Rotary International's mission to life in Frederick County. Rotary International's mission is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

RCCC accepts applications for funding to support projects and programs that meet the community needs of Frederick County.

Please note that funds are limited, even more so this year due to pandemic-related reduction in fundraising revenues. This grant program is competitive. For the best consideration, please clearly and thoroughly communicate how your request aligns with the funding objectives and evaluation criteria. Do not assume grant reviewers have any prior knowledge of your project, program, or organization.

2. Establishment of a foundation, permanent trust, or long-term interest-bearing account.
3. Operating, administrative, or indirect program expenses of an organization. (i.e. salaries and operating expenses)
